Forecast for Saturday 16 Jul 2022

Weather: Any early isolated mist and fog patches in the valleys will rapidly clear. Staying dry and bright with plenty of prolonged sunny spells and some scattered high cloud at times. Then becoming rather cloudy this evening.

Chance of cloud-free hill tops above 800m: 90% chance or greater throughout.

Low Cloud and visibility: Isolated mist patches will temporarily lower visibility to moderate or poor, but will clear quickly. Cloud will be above the summits throughout today, with excellent visibility across the hills expected.
